Bring Me The Head Of Ubu Roi - PDF version 10.8 MB

Description: The is Version 9.0 (updated September 2011) of the illustrated and annotated script to Bring Me The Head Of Ubu Roi, the David Thomas adaptation of Alfred Jarry's Ubu Roi. It is a companion to the album "Long Live Pere Ubu!" by Pere Ubu.

eBook
This eBook is in the ePub format which is the standard for Apple iPad, iTouch and iPhone. A zipped archive will be downloaded to your computer. It will be called USKFA1015501. Once unzipped it will contain two files. One will have a suffix of ".epub" - this is the eBook file. The other will be the PDF. If you are using an Apple device, drag the ePub file to the iTunes "Books" tab. Sync the device.

ePub is also a native format for Sony Reader and Barnes & Noble Nook devices. There are free desktop readers for Windows & Mac that will read ePub files - Adobe Digital Editions, for example. There is a free plug-in for the browser Firefox that reads ePub. For (too much) info and a list of readers for various platforms you can go to Wikipedia.

Kindle
A Kindle version of the script is available from these Amazon stores:
US Store
