Description: First half of the set from the Paradiso, Amsterdam, on July 14 1991. Source: Very Good Professional Cassette though the first few songs are slightly overdriven as the engineer gets his bearings. The band played 31 songs this night. A very rare performance, about 2 hours worth. It's Pere Ubu having a great time and in fine form.

David Thomas - vocals and musette

Jim Jones - guitar

Eric Drew Feldman - synthesizers

Tony Maimone - bass, guitar

Scott Krauss - drums
