Description: This is the debut of what's known as the "original" Rocket From The Tombs (actually v.3.1) recorded December 22 1974 at the Special Extermination Music Night at the Viking Saloon.

Craig Bell at this point had been a member of the band for about a month but was forbidden to play in RFTT by the leader of Mirrors.

Three of these songs, Rich Bitch, Gasoline and New York Stars, are unique to this recording.

Band:

David Thomas - vocals
Peter Laughner - guitar, vocals
Cheetah Chrome - guitar, organ
John Madansky - drums
Bob Bensick played alto sax on "Rich Bitch."

A PDF of liner notes is included in the download.
