Description: The 'Visions of the Moon' tour took place in November 2013 in Italy, Croatia, the United Kingdom and Ireland. A 'shock troops' edition of Pere Ubu was used. All but two songs in the set were new or improvised compositions, works in progress for the next album, 'Carnival of Souls.' The two older songs (Heart of Darkness and Modern Dance) were radically reinterpreted. Soundman Nadan Rojnic recorded each night. This is the show from The Village in Dublin, recorded November 14 2013.
